**MEMORANDUM FOR:** Director of Central Intelligence  
**ATTN:** Coordinator, Operations and Policy Staff

**SUBJECT:** Conferences with U.S. Government Officials Returning from  
Abroad

1. Reference is made to your Memorandum dated 7 July 1950, Subject as above.

2. The Department of the Army will continue as heretofore to make available to the Central Intelligence Agency, departmental officials returning from abroad who have information of interest to the other intelligence agencies.

3. With reference to Par 3 of your memorandum of 7 July, "the interagency operating procedure as now written would serve to prohibit an intelligence agency from conducting in its own offices, with invited representatives of other agencies in attendance, such initial conferences as it considered necessary to exploit its own returning officials."

4. As stated memorandum of 15 June 1950 on the subject, it is the opinion of the Department of the Army that arrangements employed previously for conferences with United States Government Officials returning from abroad are satisfactory, and therefore no formal inter-agency procedure is necessary.

RE: par. 3  
REMARKS: The intent was never to prohibit an agency from exploiting its own officials in private, but it is to discourage any other Central Intelligence meeting
